## Sunday Collection Envelopes – a few reminders

- If you are turning in multiple envelopes, please add your contributions together and submit only one envelope. Your contributions are posted to the Sunday that they are turned in regardless of the date on the envelope.
- If you put your Sunday collection amount in a Children's Envelope, you will not get credit for it – all money in the Children's Envelopes is automatically put into the Seminarian Fund.
- Please do not add extra monies (ie Archdiocesan collections, mass stipends, candle \$, etc.) in with your Sunday Collection. It makes it very difficult for the counters to keep it all sorted. So please put extra monies in their appropriate envelopes. The Collection Envelope should hold only what you wish to be your Sunday Giving to the parish you are registered in.
- Please do not put checks to multiple parishes in your Sunday Collection envelope.
- If at all possible, please do not tape envelopes or use stickers to keep them closed – sealing them will do the trick.

**THANK YOU for helping make the processing of the Sunday Collection easier and more efficient for our counters and the office.**
