We are always so appreciative and astounded by the generosity of our parents and parishioners. Thank you!

**What is a Reverse Raffle?** A reverse raffle is where you want to be drawn out last and not first. When the final 10 numbers are left each person is called to the front. They can either decide to all split the money or draw more numbers! The final 3 left will be rewarded with money unless split before. 1st prize = \$3,500, 2nd prize= \$1,000, and 3rd prize = 500. We also have fantastic items at a silent auction and live auction with great socializing and adult beverages.
