•If you are currently receiving collection envelopes every two months through the mail, **you are registered in one of the parishes.**

•If you are not receiving these envelopes, then you are **NOT registered in any of the parishes.**

•If you are 18 years or older and in the work force, **you should be registered on your own in the parish of your choice** not under your parents.

Be aware that if you are not registered, and want to rent any of the facilities, enroll your children in the school, get married in the churches, have children baptized, buy burial plots, etc. fees and requirements may be different than those who are registered members.
