St. Mary's Catholic School

Every three years the Office of Catholic Education holds an accreditation visit at all 68 Catholic schools in the Archdiocese of Indianapolis. St. Mary's School hosted a team of eight principals, three teachers, and the assistant superintendent last week. The team spend the day interviewing teachers, staff members, students, and parents along with doing classroom and school observations throughout the day. We received wonderful feedback from the group who thoroughly enjoyed their day in Jennings County. They were very impressed with our students and staff. We will receive a detailed report from the committee in the coming weeks. I can't wait to share the details with you later.
